

BUILT ON QUALITY, DRIVEN BY PEOPLE.

At Pinnacle Shield, our mission goes beyond merely providing services; we focus on creating enduring value by carefully constructing, protecting, and enhancing properties with expertise. We believe that every space merits protection, durability, and aesthetic appeal. Regardless of whether it's a commercial, industrial, or residential property, we offer high-performance painting, roofing, and waterproofing solutions tailored to last, protect, and beautify.

Our journey began with Eco Rubber Applicators and Roof Remedies in 2018 to 2024, before transforming into Pinnacle Shield through a strategic acquisition in 2025 aimed at future growth. With over 30 years of combined experience in construction, project management, and property maintenance, we have established ourselves as a reliable partner for homeowners, businesses, developers, and facility managers, fostering innovation and long-term value.

We take great pride in our exceptional craftsmanship, characterised by meticulous attention to detail and a steadfast commitment to quality. Utilising premium products, we guarantee outstanding service from start to finish. More than just a service provider, we strive to be your trusted long-term partner in protecting your investment and ensuring lasting security.

WATERPROOFING SOLUTIONS

As the business evolves, we have decided to shift our focus away from “roof installations and replacements” and instead concentrate on repairs and restorations. Safeguard your home or business against moisture damage, leaks, and structural deterioration.

- Flat Roof Waterproofing & Protective Membranes: Experience seamless, high-performance membranes designed for maximum water resistance.
- Balcony, Terrace & Foundation Sealing: Enjoy flexible and durable waterproofing solutions that effectively prevent cracking and water infiltration.
- Damp Proofing & Moisture Barrier Installations: Utilise chemical damp-proof courses and breathable coatings to eradicate rising damp and mould.

We only use top-tier, industry-leading waterproofing materials, guaranteeing that your property remains dry, secure, and structurally sound for years to come.

WHAT OUR CLIENTS SAY

We are proud to be the preferred partners for painting, roofing, and waterproofing for JJ Dempers.

I wholeheartedly recommend John as a highly skilled waterproofing and paint specialist. John recently repaired my house, and I am thoroughly impressed with his exceptional workmanship, attention to detail, and professionalism. His expertise and knowledge in waterproofing and paint are unparalleled, and he delivered high-quality results that far exceeded standard contractor's work. John is reliable, efficient, and communicative, ensuring that the repair process was seamless and stress-free.

I highly recommend John for any waterproofing and painting needs.

Daniel Barnard
Lavender Farm Guest House
Franschhoek

It is my pleasure to recommend John Harvey and the Pinnacle Shield team. They painted both our Franschhoek and Camps Bay properties at the end of 2024, delivering exceptional workmanship. Their professionalism, ability to meet deadlines, and independent work ethic made the entire process seamless.

Without hesitation, I highly recommend them for any painting or property maintenance project.

Madelen Johansson

It is with great confidence that we recommend John and the Pinnacle Shield team for their exceptional painting and waterproofing services. Over the years, John has completed numerous projects for J.J. Dempers, including painting roofs, buildings, and various structures. His work consistently meets the highest standards, with attention to detail and a commitment to quality that is evident in every job.

John is reliable, professional, and hands-on throughout the process, ensuring that projects are completed efficiently and to specification. His team works neatly and diligently, making them a pleasure to work with. Given our positive experience, we will continue to make use of his services for our future projects.

We highly recommend John to anyone looking for expert waterproofing and painting services.
